

ID Chipping through South Lanarkshire CAT

We at CAT South Lanarkshire are now able to offer subsidised I.D. chipping, available through our fosterers in Blantyre, Airdrie and Lanark.

If you are interested, please contact us by e-mail or by phone.

We are all trained in I.D. chipping through Pet I.D. and can now offer this service to you at just £15 per single cat or £20 for the 2 or more cats, retrospectively.

This can allow you to get your cats chipped cheaper than in most veterinary practices and can help our charity continue to help those helpless cats out there in need of our help.

Our contact details are as follows:-
