Subsidised Neutering Information

How to get low cost neutering for your cat or kitten

Through the Original Cat Action Trust, you can obtain low cost, subsidised neutering for your cat/kitten at the selected vets listed below. In addition to this, your cat/kitten may get wormed and de-flea' d (only if required at the time of neutering).

HOW TO GET LOW COST NEUTERING FOR YOUR CAT or KITTEN

Send a cheque or postal order made payable to the **"Original Cat Action Trust" or "C.A.T. "** for short. On the reverse of your cheque, state your name, address and how many female or male cats/kittens you require neutering certificates for and **send it in an envelope to**

"Mousemill", Mousemill Road, Lanark. ML11 9UG.

On receipt of this, we will then send you out your neutering certificate, by first class post.

The low cost neutering, worming and de-fleaing will cost £45.00 for a female cat and £35.00 for a male cat.

On receipt of your neutering certificate, you simply follow the instructions on the certificate. You can then go ahead and book your cat or kitten into one of the nominated vets **only** listed below, which should be happy to accept your Neutering Certificate.

N.B. This letter is not a Neutering Certificate and cannot be redeemed for neutering. You must have a Neutering Certificate to get free or subsidised neutering at the selected vets listed above.

Alternatively, if you need help with neutering costs and you wish to use other vets not listed here, then your local Cats Protection (C.P.) may be able to help you with Neutering Voucher(s) towards these costs if you are on benefits, which can be redeemed towards the cost, at any vets practice, **unlike ours**. Either ask your local vet for your local C.P. details or contact the C.P. H.Q. for your local branch's tel. no:- Tel: 0870 2099 099 / 0870 7708 649 / e-mail:-cpl@cats.org.uk
